

FIRST TIME MOON VISITORS

We would like to take this opportunity to explain how we work here. The server who greets and seats you may or may not be the server who takes your drink order. The server who takes your drink order may or may not be the server who takes your food order. The server who takes... you get the drift?

We all work together and share in the tips, so don't be shy, ask any staff member if you need something. We all share, so thanks for sharing with us.

P.S. - If you're seated at the bar, please don't talk to the cooks (or feed them). When they are busy, they tend to bite, so please, ask a server.

Thank you for choosing us and enjoy!!!
